5952/Rev

M-7 490 05-6 Ser no. 8

Letter No. 5710 dated the 6th December 1905 from the Collector of Kanara to the Hon'ble the Resident in Mysore.

In acknowledging ~~the~~ receipt of the map of Chandragutti forwarded with First Assistant Resident's No. 5657 of 2nd October last, I have the honour to inform you that the map in question does not give the necessary information that is wanted. Either there may be a different village of the name of Chandragutti or the Chandragutti under reference might have got more than one map. The map is required for fixing the boundary between Nidgod in British ~~Ter~~ Territory and Kodambi in Mysore. I would therefore request that you will kindly arrange to furnish me with copies of Survey and Forest maps of Chandragutti so as to enable me to settle the boundary question as early as possible. All the maps received will be returned when no longer required.

To The 1st Assistant to the
Hon'ble the Resident
in Mysore

Sir,

With reference to your memo No. 7404 dated the 14th December 1905 forwarding copy of letter No. 5710 dated the 6th Dec. 1905 from the Collector of Kanara requesting to be furnished with copies of survey and forest maps of Chandragutte I am directed to forward over.

SUBJECT.

Forwards a copy of the map of the Chandragutte Forest for determining the boundary of the Nidgod Village in Kanara and states that there are no references in survey records regarding the existence of boundary dispute between Nidgod and Kodamba Villages.

herewith a copy of the map of the Chandragatti Forest which probably will meet the requirements of the Collector of Kanara in determining the boundary of the Nidgal Village.

The Survey Commissioner also reports that there are references in the Survey records as to the exact legend of any boundary disputes between Nidgal and Kadambi and the inference between these two villages is to be found in the Survey records. The major portion of the Chandragatti Forest was formerly a part of the Kadambi village and the Kanara village of Nidgal adjoins its southern boundary.
